THE TRAMP SAID:

"You saw me see the wood, but  
you did not see me saw the wood."

The reason he did not saw the wood was because he did not have his **AXE**. Had he seen the line of **SAWS** and **AXES** in our show windows, he would have had his **HAND OUT** long ago and been in Peck by now.

THE NAME DISSTON on a SAW  
is proof positive that you have the best.

#### General News.

Bread is two cents a loaf in Port Huron.

Caseville will be an incorporated village this year.

Port Huron will have an organized Board of Trade.

There are eleven prisoners in the St. Clair county jail.

It takes nearly \$80,000 each year to pay Port Huron's city officials.

Port Huron's Wonderland gave a benefit for the King's Daughters last week.

There are nearly thirty places in Sanilac County where they sell liquor on a beer license.

John Guy, a farmer of Lamotte, was found dead in his barn. Supposed to be heart disease.

L. B. Rice wants to form a stock company to raise fruit in Port Huron and canning factories will then follow.

Five freight cars were dinged in the railroad yards at Crosswell Tuesday morning and prevented traffic for some time.

Caseville wants some enterprising grain dealer to put in an elevator at that place. There is none of any importance for 24 miles.

A vein of coal has been struck on the Gardner farm in the township of East China. A natural gas well also exists on the same farm.

Abie Harris, of Minden township, is a crazed lunatic and has been sent to Pontiac. Trouble with his wife and a divorce seems to be the cause.

Chas. Baer, of Port Huron, has begun suit against the Young Men's Christian Association for back rent, claiming they owe him \$230.

George Cowan, grandson of Senator R. E. French, and Willie Colwell, of Port Huron, have been appointed pages for the Senate and house at Lansing.

A hole in a bridge near Sanilac Centre caused the runaway of two horses, the death of one, the injuring of a man and a demolished buggy. There is talk of suing the town.

Sanilac County has a great many revolting crimes. Ludwig Stave, of Argyle, is arrested on a charge of rape, complaint made by his 12-year-old step-daughter who will soon become a mother.

Almont is having bad luck in the business portion of the town. On the night of January 3d over a block of buildings burned despite the citizens' efforts. It is supposed to be the work of incendiaries.

The buildings for the Home of the Feeble Minded at Lapeer will probably not be completed before April next, when they should have been ready for occupancy October last. The Home will accommodate 500 people.

It is rumored that Marine City is headquarters for one of the largest gang of counterfeiters in the country, but no arrests have been made as yet. Further developments will be eagerly watched for. Detectives are at work.

Matthew Palmer, a well-to-do farmer of Millington, brutally killed his own wife by knocking her down and cutting her throat and then slashing his own. No one seems to have any reason for the action. A family of seven children is left.

Solon Patterson, of Argyle Centre, has been arrested for improper relationship with his niece by marriage, Nellie Outman, who has also been arrested. Patterson has a wife and four children and his escapades with the girl are the scandal of the place.

A Business Men's Association has been organized at Bad Axe. A committee will see how many farmers will raise peppermint, correspond with a canning factory and also with a woolen factory. They evidently intend to make a lively town of Bad Axe.

**The Discovery Saved His Life.**  
Mr. G. Caillotte, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken down with La Grippe and tried all the physicians for miles about but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We don't keep store or house without it." Get a free trial bottle at Grant Holden's Drug Store, Yale.
